Can't we line up right now!?
All night!? Out of the question!
Everyone is required to purchase a catalogue Please present them at the entrance.
Ordinary event participants should not enter the event space before 10:30
You know you didn't have to follow me all the way to the bathroom, right!?
Not done yet?
If you use the washroams, you will need your catalogue for reentry
Soon we will be at the entrance! And all my dreams will come true~!
Yeah yeah! What kind of dreams?
Yuri gentlemen and ladies are elegant even while waiting in line ★
I want to cosplay and I want to take pictures but asking for permission is embarrassing! I want to do it stealthily!
And because there might be a lot of people in the cosplay area, I want to take pictures in the circle area!
And if I cosplay, it might be fun going home still wearing my outfit~!
Will there be any auctions or things like that? Isn't it exciting when you get a whole bunch of people together?
Kyaaa!
ALL OF THAT IS OFF LIMITS...
Ahem...

There's a system for registering the photography of cosplayers.

Cosplay space

Of course cameras

but also phones

all must be registered!

Okaaay!

I'm taking it!

You can't bring dangerous items or replicas of weapons.

It's a toy!!

Be sure to get permission from those you wish to photograph,

and, as it causes unnecessary problems, please refrain from photographing the circles' areas.

!?

What is that!?

24H

I'm so hungry

You can't leave the event area in cosplay.

People in the neighbourhood will be shocked!!

Ehh!! I'll be careful!

okay? What else

Please refrain from disorderly projects such as auctions, etc.

And consult with the main office ahead of time!

RAAAH!

ドドド

Waaa It's not dignified at all!
This is an example of what not to do when taking a break in the event area
I CAN'T WAIT UNTIL I GET HOME!
Please do not sit here.
I WANT TO YURIYURI RIGHT NOW!!
YURI
Don't sit in the event area, stop against the walls or go into off-limits areas!
There is no alcohol or smoking allowed in or around the event area!
Take your trash home with you! Don't throw it out at a convenience store along the way.
Enjoy doujinshi once you get home!

I went on for quite a while today, but..
You did a great job of following all of it
That's 'cuz I wouldn't want the event to get shut down because of some problem I caused!
I know what's important!

That's loving yuri... And thinking about each other!

Thanks for teaching me all that, Youko-oneesan!

Squeeze...

That's right! I'm so happy you understand, Hama-chan!

Those who mind the rules and their manners...
Are elegant maidens!!

We're cheering for all of you to find some wonderful yuri and have some new encounters ♥

If you have any problems, please go to the main office.
